

## Motul Grand Prix of the Valencian Community

Welcome to Panorama Village!

### ACCESS TO THE RICARDO TORMO CIRCUIT – VALENCIA

#### 1. Collect your parking pass and wristband:

If our sales team has not sent you your parking pass by regular mail (it must be placed in a visible spot in your vehicle), you will need to collect it at the **Accreditation Centre**.

→ [Location here](#)

You must collect one parking pass per day (Friday, Saturday, Sunday).

In addition, your PDF ticket (either printed or on your mobile) will be scanned, and you will be given your wristband, which will serve as your accreditation to enter and leave the venue throughout the event.

Keep your PDF ticket (either printed or on your mobile), as it may be required for inquiries or to resolve any potential issues.

#### 2. Park your vehicle in Parking P4:

A designated area with parking spaces will be available for you in Parking P4.

Please follow the instructions of the traffic staff.

→ [Location here](#).

We recommend arriving as early as possible. Traffic queues start forming from 7:30 a.m.

We cannot be held responsible for traffic conditions or any changes made to public roads by traffic authorities.

Please remember that you are entitled to 1 parking space per purchase. If your ticket purchase includes multiple entries, 1 parking space will be allocated for every 2 tickets.

### 3. Walk to entrance E-0

Just a few meters from Parking P4, you'll find Entrance E-0. Walk to the entrance and show your wristband to enter.

→ [Location here.](#)

If you haven't been to the Accreditation Centre and don't yet have your wristband, you can collect it directly at Entrance E-0 by showing your PDF ticket.

### 4. Arrive at Panorama Village

Panorama Village is located in the GRID LOUNGE area (2nd floor), very close to Entrance E-0.

Once there, your PDF ticket or wristband may be checked again for validation.

#### Public Transport and Taxi:

Due to the 2024 DANA weather event, it is not possible to reach the Circuit using public transport. At [this link](#) you can find information about the official bus service to the Grand Prix, organized by the Ricardo Tormo Circuit.
