Welcome to Panorama Village!

ACCES TO THE CIRCUITO DE JEREZ - ÁNGEL NIETO

1. Receive your PDF ticket:

Once you have placed your order, you will receive your ticket in PDF format by email (or our sales department will send it to you). There is no need to print it; you can carry it on your mobile phone. Keep the PDF until the event is finished.

2. Go to the Welcome Center to collect your personal accreditation and parking pass

Upon arrival at the Circuit of Jerez, you must go to the Welcome Center to collect your personal accreditation and your car parking pass, both of which are physical passes. You will need to show your PDF ticket; we will scan the QR code and give you an envelope in your name.

The **car parking pass** is a sticker that must be displayed visibly on your vehicle. Please note that there is a different parking sticker valid for each day.

If you have requested **motorcycle parking pass**, we will send you a PDF that you can show on your mobile phone, which will be valid for all 3 days.

Your **personal accreditation** must be worn visibly at all times. It is personal and non-transferable.
